

## **Media ID Cards Available**

As a service to our members, SCBA produces media identification cards for broadcast personnel. Stations are encouraged to distribute these cards to essential personnel. Cards will only be provided for station employees who are approved in writing by the station General Manager. The card will identify your employee as essential station personnel and as a member of the SC Broadcasters Association. **Please note, this card provides no guarantee of access to a secured area. Local law enforcement officials on the scene will make that determination.** A photocopy of one of these cards is at the bottom of this memo.

Cards are available for station managers, news staff and any other key personnel at your station, especially those who need to be mobilized during an emergency. Media ID cards may be purchased for \$5.00 each. (Each ID card is laminated and attached to a pocket clip.)

To request these media passes, please complete the enclosed form with the required information and return it to the indicated address with a photo of each individual, color or black and white, sized to fit card. The passport-size photo should not exceed 1" wide x 1 ¼" high. (Electronic photos will be accepted as long as they are sized appropriately.) If more than two cards are ordered, attach a check payable to SCBA for the amount due.

SCBA is proud to offer this membership service. Please call the SCBA office at (803) 732-1186 if you have any questions.
